Rejuva—a passion for fashion in legwear with graduated support

NEW! Company founder Kelsey Minarik came up with the idea for Rejuva® when she was prescribed support hosiery by her doctor at just 21 years old. As a wearer herself, she set out to create a compression legwear brand offering the best in circulation benefits with a stylish finish. Today, the growing brand is supported by industry producers with 35 years of expertise, while the wearer's experience remains at its core.

FOR MEN & WOMEN. Moderate/Firm Compression Socks have non-binding, ultra-wide tops. Moisture-wicking fibers help keep feet dry. Heel and toe padding cushions steps. 75% nylon/25% spandex. Order by color, pattern and shoe size (men's 6 thru 14, women's 5 thru 13). Imported.

First aid for itchy, dry, cracked feet—over 1 million sold

Podiatrist's Secret Total Foot Recovery treatment combines an Alpha-Hydroxy fruit acid formula with deep, penetrating urea, the ingredient recommended by podiatrists. This formula increases the skin's natural renewal process, speeding exfoliation of itchy, over-dry skin at the surface. Urea helps break down hardened, callused skin and eliminates cracks and fissures. With regular use, feet become silky smooth. Choose Original Cream or Tea Tree Oil Cream.

Firmer shell for better control

Reversible heel cups help correct your stance

ONLY AT FOOTSMART! The two most common conditions associated with incorrect walking are overpronation (foot rolls inward too much) and supination (foot rolls overly to outside). Both throw the body's alignment out of sync and can cause pain in feet, ankles, knees, hips and back. These TPE gel heel cups help realign your feet and walking gait, while offering great foot-shock protection. Order by shoe size (men's 5 thru 13, women's 3 thru 11). USA. **FootSmart® Posture Corrective Heel Cups** Buy 2 prs. or more

10211 FootSmart® Posture Corrective Heel Cups \$29.99 pr.
Buy 2 prs. or more \$27.49 pr.

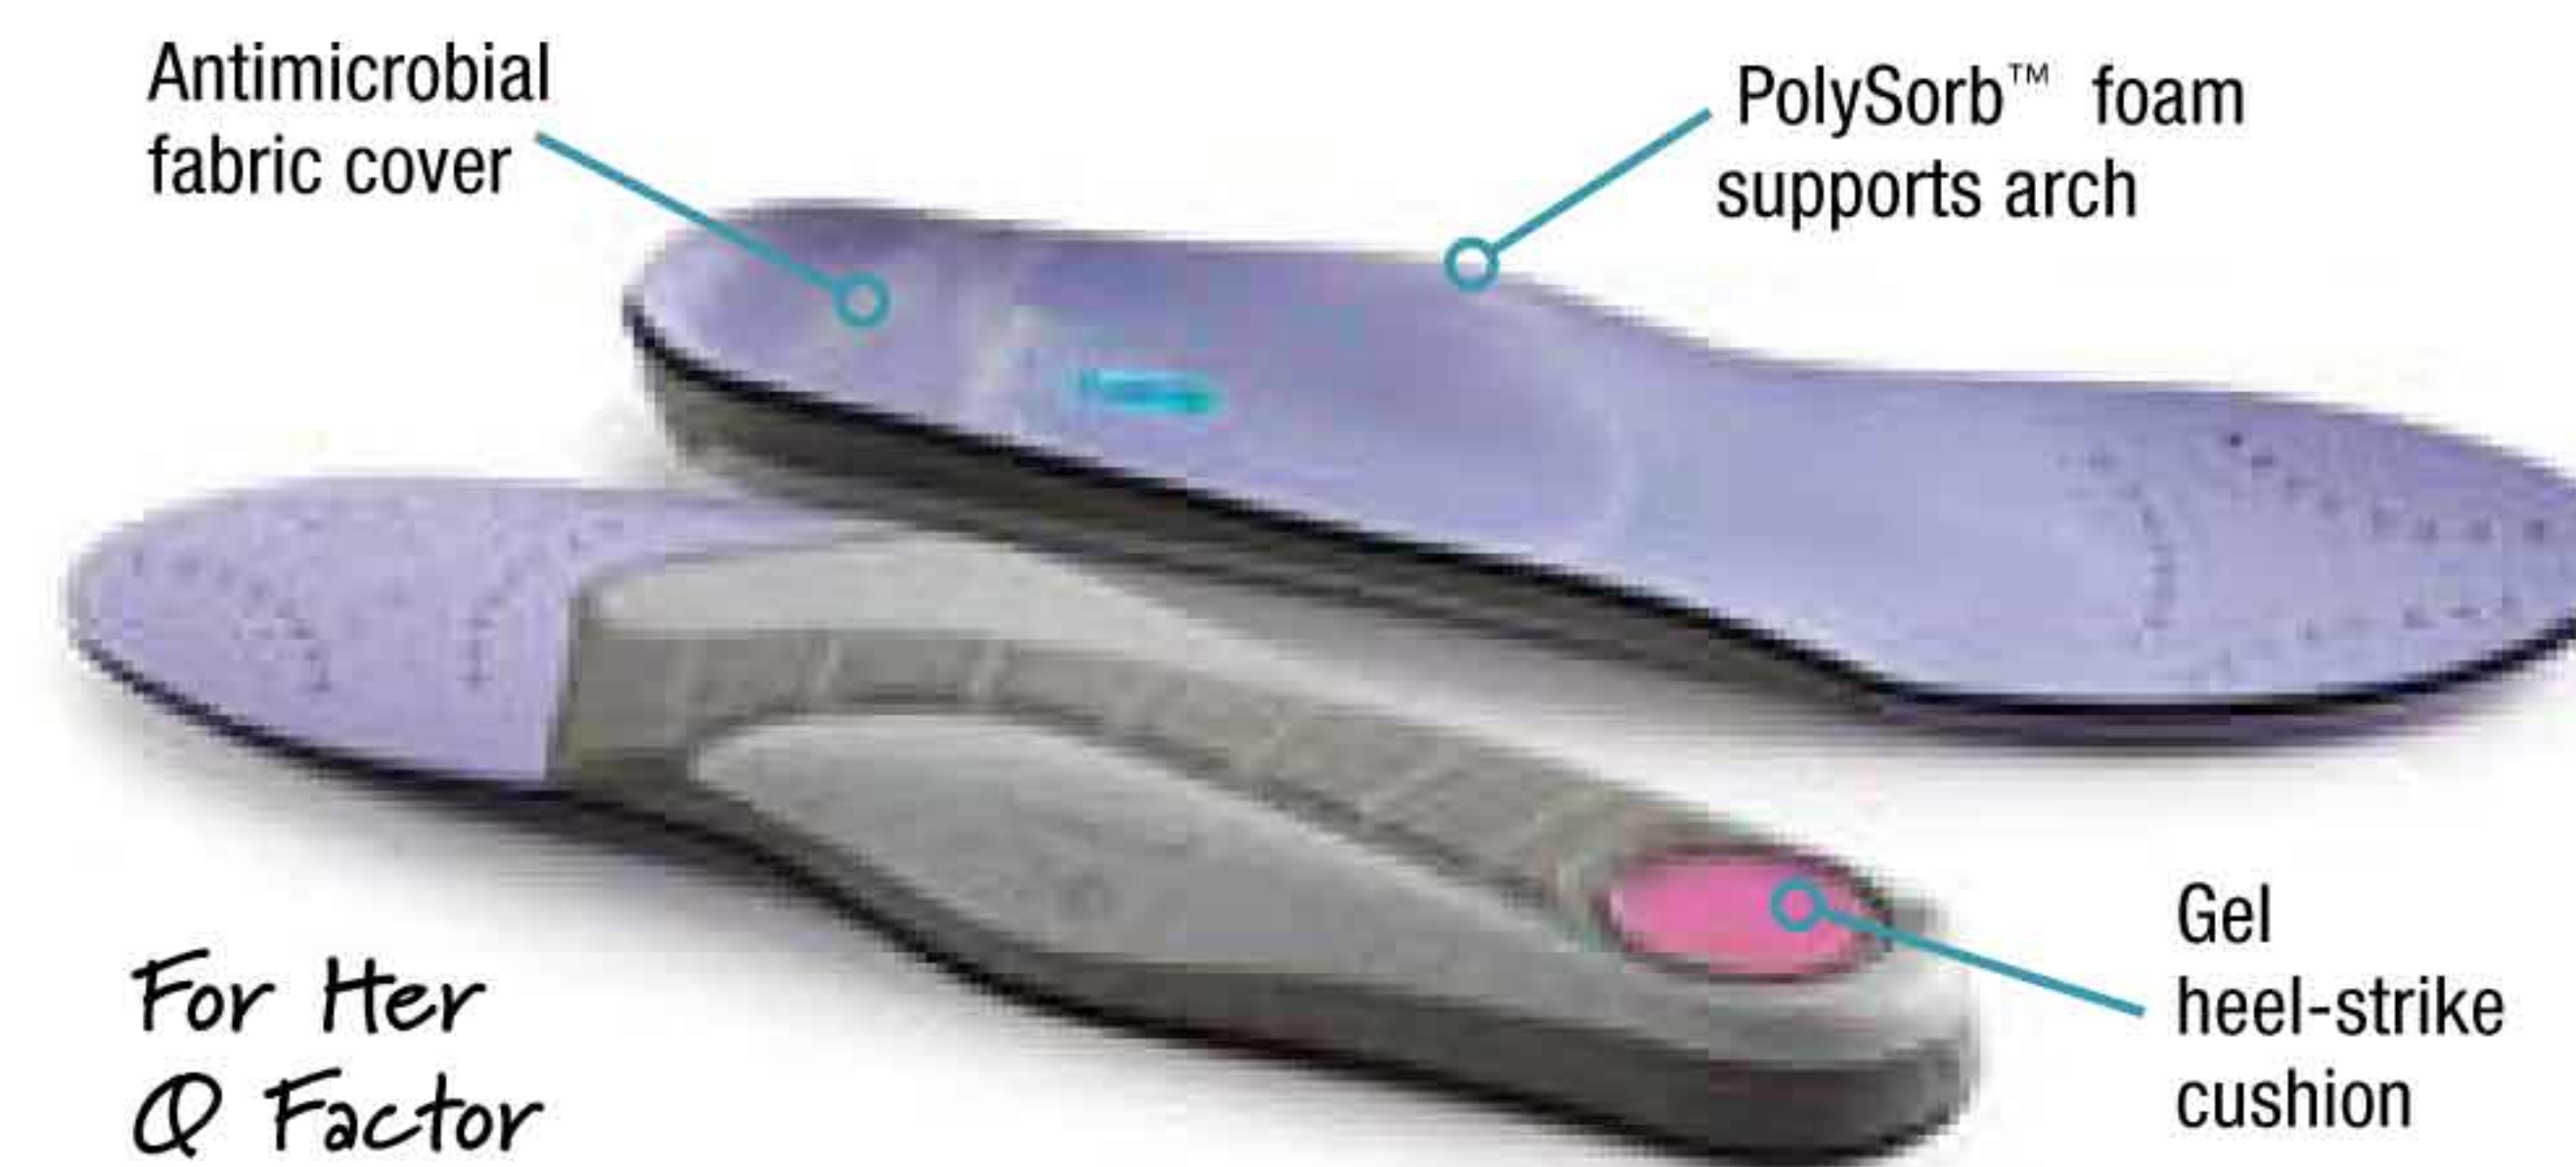

Place thicker portion on the inside of the heel if you overpronate

Place thicker portion on the outside of the heel if you supinate

NEW! For a woman's wider build: Q Factor support helps relieve Q-Angle pressure

Women have a greater quadriceps angle (Q-Angle) than men, the angle between the quadriceps muscle and the patellar tendon that places more pressure on knees, hips and back. Q Factor technology in these insoles help stabilize the area for proper support and alignment. Contoured PolySorb polyurethane foam offers advanced arch and heel support. EVA forefoot padding helps ease ball-of-foot pain. Shock-absorbing gel heel-strike cushion. Fabric Silpure® antimicrobial cover. Order by shoe size (women's 5 thru 12½). 10969 Spenco for Her® @FootSmart® Q Factor® Insoles \$19.99 pr.

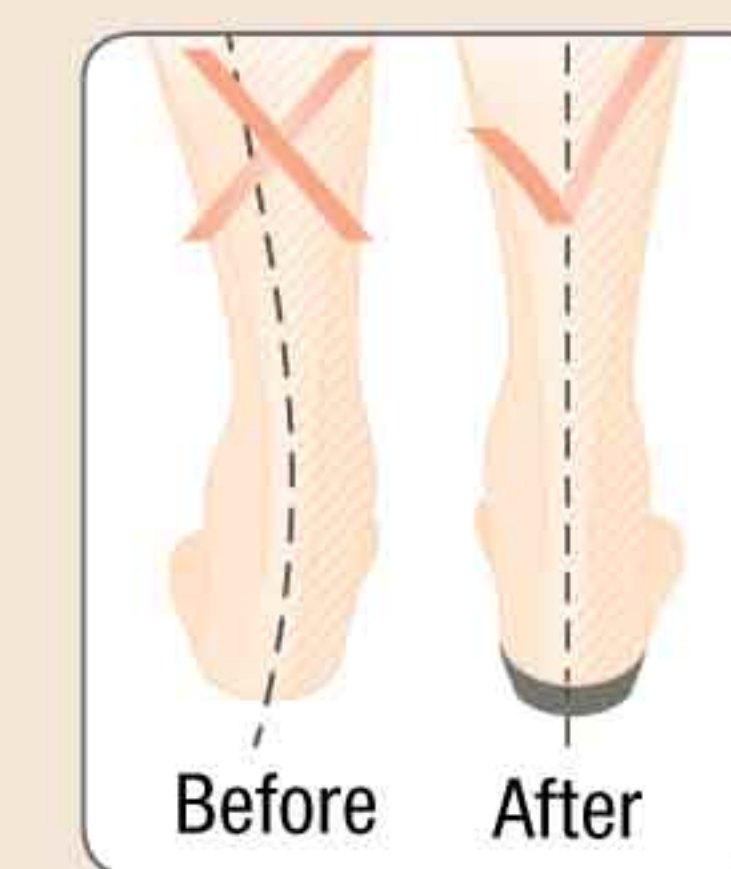

NEW! Just for her—patented, stride-guiding 3-POD cushioning system offers Total Support

For women who want greater motion control, these Total Support insoles deliver. A patented 3-POD cushioning system absorbs shock and helps with overpronation (feet roll inward too much). A lower EVA foam layer provides contoured cushioning, while a metatarsal arch support and grooved, cushioning forefoot crash pad help ease ball-of-foot pain. Align your stride with the semi-rigid stability cradle with arch support and a deep heel cup. Nylon antimicrobial cover helps control odor. Order by shoe size (women's 5 thru 12½). 10968 Spenco for Her® @FootSmart® Total Support® Insoles \$29.99 pr.

Orthaheel Technology—podiatrist-designed to help align your body

Built-in Orthaheel Tri-Planar motion control technology helps stabilize, support and realign feet to a natural position

Acclaimed Australian® podiatrist Phillip Vasyli invented Orthaheel® Technology to help improve your body alignment, posture and walking gait, while relieving heel pain, plantar fasciitis, knee and lower body pain. Just like the tires on a car, improper alignment of feet can cause wear and tear to other parts of the body... such as the knees, hips and lower back.

Active Full Length Orthotics keep your heel and arch aligned as you walk or run. A supportive arch wedge provides stability and motion control to help reduce overpronation (feet rolling inward). Best worn in shoes with removable insoles. Order by shoe size (men's 3½ thru 13, women's 4½ thru 12).

10845 Orthaheel® Active Full Length Orthotics \$44.99 pr.

Relief Orthotics have an EVA base that helps support and stabilize the arch. 100% nylon cover, treated with EcoFresh, helps protect against odor-causing bacteria. **Full Length** offers heel-to-toe coverage and forefoot cushioning. **3/4 Length** cushions the heel and keeps the toe area free. Order by shoe size (men's 3½ thru 13, women's 4½ thru 12).

10843 3/4 Length \$39.99 pr.

Normal/Flat Stability Cushioning Motion Control

The Vionic Action Walker for women is our number-one selling athletic shoe. Built-in Orthaheel® Tri-Planar motion control technology helps stabilize, support and realign feet to a natural position. Acclaimed Australian podiatrist Phillip Vasyli invented Orthaheel® Technology to help improve your body alignment, posture and walking gait, while helping relieve heel pain, plantar fasciitis, knee and lower body pain. Just like the tires on a car, improper alignment of feet can cause wear and tear to other parts of the body... such as the knees, hips and lower back. Leather and mesh uppers and durable rubber outsoles. Orthotic-Friendly. Available in 2 widths: M(B) 6-10,11. W(D) 6-10,11. Whole and half sizes. **73047 Vionic® Women's Action Walker \$99.99**

Matching storage/carrying bag included

3-piece foldable stem for carrying, packing or storing

Walking stick quickly flips from a seat to a cane

NEW! Foldaway Flipstick—walk, sit, tote and store with ease

It's the 2-in-1 Flipstick that folds up for on the go and out of site. The walking stick quickly flips into a comfortable saddle seat. Push the button, and it locks the seat in place. This version has a three-piece stem that folds to fit into a matching carrying and storage bag. Durable, lightweight aluminum stem holds up to 280 lbs. Adjusts up to 2¼". Non-slip rubber foot for indoor/outdoor use. Great for travel and makes a nice gift.
